

SWEATING Instead Of Taking Multiple Medicines

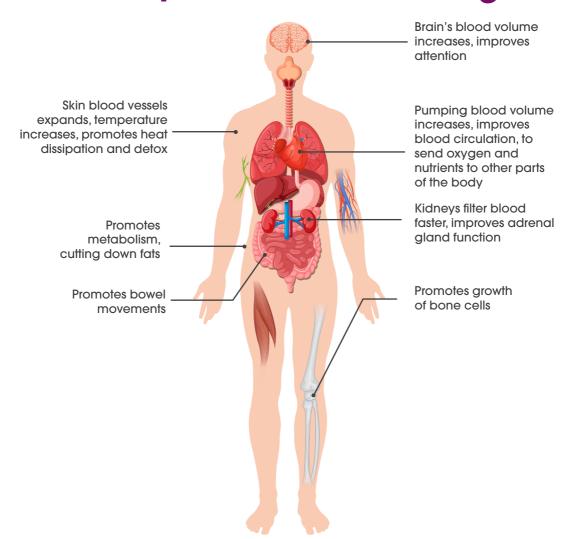

Sweating can reduce the burden on the internal organs

Organ	Detoxification method	Toxin Solubility	Ways to Maintain
Skin - The body's largest detoxification organ	Excretion through sweat - remove toxins out from the body faster, not accumulating in any parts of organs, especially kidneys	Fat and Water	Make sweating during exercise a habit
Liver	Filtering blood, bile secretion	Fat	Have a good night's sleep
Kidneys	Filtering blood, excretion through urine	Water	Drink more water
Intestines	Mucosal detoxification, excretion through feces	Mostly fat Some water	Eat more fiber
Lungs	Excretion through respiration	Water	Exercise regularly

Importance of Sweating

No sweating! Toxins will be accumulated in the body, and causes Physical And Mental Health Problems!

5 Types of Toxins to Remove Out from Body	Health Problem		
Heavy metals	Alzheimer's disease, Neurastenia		
Cigarette, Secondhand smoke	Asthma, Cancer like lung cancer, throat cancer etc		
Household chemicals	Weakened kidneys, Liver cirrhosis, Cancer		
Water soluble toxins like medicines, preservatives, herbicides	Cancer like kidney cancer, lung cancer etc		
Fat soluble toxins like Insecticides, pesticides and food additives	Cancer like liver cancer etc		

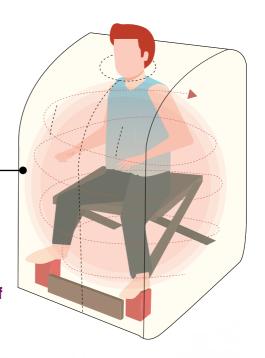

What is Platinum Energy?

Platinum Technology + Spiral Energy Transmitter

- One trillion vibrations per second
- Double energy resonance, from bottom to upwards

- Sodium
- Fat soluble & Water soluble toxins
- · Heavy metals like lead
- Lactic acid
- Uric acid
- Cigarette smoke toxins

Japanese Energy Technology

Exclusive Platinum Technology Cushion

- Is the result of latest weaving technology based on a scientific proportion consisting of 14 types of natural ore.
- Provides miracle effects, without feeling painful or itchy.

German Patented Technology

The world's Only Energy Chamber with Thermal Adjusted and Filtered Light Rays

Use of exclusively autonomic temperature-controlled technology. There are a total of 40 special semiconductors to produce energy. The patented radiator's heater is with high heating efficiency without causing burns, it is 100% safe.

SET UP A COMFORTABLE "SITTING SPORTS"

EQUIPMENT FOR YOUR FAMILY!

Full Body Detoxification

Not only promotes sweating, but also promotes deep detoxification in 15 minutes

The accumulated pathogens, toxins, medicines, heavy metals, excess fats etc will be excreted from the body via sweats and later by urine and feces. It helps improves lymph circulation and edema. With effective detoxification, the body gradually restore its natural health and improves vitality.

The Qigong Master that balance your blood and Qi circulation in the body in 15 minutes

Blood & Qi Circulation

The obstructed of Qi and imbalance of energy in the body is the root of most physical illness, leading to imbalance Yin and Yang. Far infrared rays emits to whole body promotes blood circulation, ensuring every body cell receive sufficient oxygen and nutrients, initiates activation of body and leading to longevity.

Blood Vessel Exercise

You have 10 kilometers walk in 15 minutes

Improves blood flow and causes the network of blood vessels expands naturally. This helps to improve arterial elasticity and prevent atherosclerosis. Besides, it also helps to remove residue waste from blood vessels wall, thus lowering risk of high cholesterol, high blood pressure, diabetes, overweight and stroke etc.
